

## **Acland's Video Atlas of Human Anatomy**

# ACLAND'S VIDEO ATLAS OF HUMAN ANATOMY

This Video Atlas provides users with over 300 movies which, in a very realistic, three-dimensional way show real, rotating, anatomical models of human body. Videos are supported by dr Robert Acland's professional comments.

It is recommended for medical and dental students as well as allied health students, medical practitioners, teachers, secondary and undergraduate students and all users looking for professional information about human anatomy.
